NORTHPORT VILLAGE

Northport is a picturesque waterfront community with a proud heritage dating back to 1849. Located in northeastern Leelanau County on the shore of Grand Traverse Bay, the Village of Northport has a rich history and wealth of scenic beauty, small town character and recreational opportunities. Northport Village has over two miles of water frontage, an outstanding marina, well maintained parks, & it's beautiful setting amidst beaches, rolling hills and orchards.

Northport is establishing itself as a leader in promoting a "green" environment with a wind powered turbine generating electricity for our wastewater plant, stormwater runoff project on Nagonaba Street, streetscape additions, rain garden, promotion of dark sky lighting & a solar powered golf course.

OMENA VILLAGE

The unincorporated village of Omena, filled with mid-19th century charm, was designated a Historic District & listed on the National Register of Historic Places by the U.S. Department of Interior in 2017.

Nestled on the shore of beautiful & tranquil Omena Bay, located on the Leelanau Peninsula, along scenic M-22, Omena is a special place.
