## NORTHPORT VILLAGE

Northport is a picturesque waterfront community with a proud heritage dating back to 1849. Located in northeastern Leelanau County on the shore of Grand Traverse Bay, the Village of Northport has a rich history and wealth of scenic beauty, small town character and recreational opportunities. Northport Village has over two miles of water frontage, an outstanding marina, well maintained parks and its beautiful setting amidst beaches, rolling hills and orchards.

Northport is a proud "Tree City USA." A stormwater runoff project was completed on Nagonaba Street. Streetscape additions, a rain garden, a solar powered golf course and dark sky lighting have been implemented. A partnership (with the Village, The Watershed Center Grand Traverse Bay and a grant from the EPA) created an extensive hardscaping project to divert water runoff pollution @ Main Street and Waukazoo Street.
